TO WHOM IT MAY CONCERN

We undersigned, Dr. Pascal Gallo, CEO and Théophile Mounier, CFO hereby confirm that :

Ms. Dhaouadi Zohra , born on 18.01.1995,

has been retained by LakeDiamond SA as an IT engineer intern and a computer vision researcher between 01.03.2019 and 31.08.2019.

During her assignment in our company, the main tasks within ShineOn project were the following:

- Implementing an algorithm for object recognition.
- Tracking and detection drones in real-time.
- Optimization of video tracking.
- Piloting a mobile platform to guide the transmitter.
- Synchronization between the movements of the drone and the transmitter.
- Tracking performance measurements (accuracy, response time, rapidity and precision).

Ms. Dhaouadi, proved to be an efficient and hard-working intern after implementing all the tasks needed to lead to the success of our project in a timely manner.

Thanks to her hard work and very good knowledge, as well as her adaptability, Ms. Dhaouadi successfully concluded all the challenging tasks that were assigned to her and contributed to a demonstrator that LakeDiamond will present to investors.

During challenging times, Ms. Dhaouadi constantly demonstrated a very high level of motivation, dedication and flexibility. Moreover, Ms. Dhaouadi was greatly appreciated for her agreeable demeanor and reliability.

Ms. Dhaouadi, has always carried her duties to our total and fullest satisfaction. Thus, we highly recommend Ms. Dhaouadi to any future employer.

We warmly thank Ms.Dhaouadi for her devotion and her precious contribution and we wish her all the best for her professional projects as her future endeavors.

Pascal Gallo, CEO

Théophile Mounier, CFO
